

Dear Parent/s,

As part of our commitment to providing your child the best early learning experience, we're proud to announce KindyHub to Owl and the Pussycat Preschool Collaroy!

KindyHub is a digital communication tool, allowing us to easily share your child's daycare experience with you at the end of each day. Our educators capture your child's achievements throughout the day via KindyHub with photos, notes and stories. KindyHub saves us time, in-turn allowing us to spend more time with your child.

As a parent you (and your chosen relatives) will have a secure, private login to access a snapshot of what your child does throughout the day via email or the KindyHub smartphone app. This will be sent to you with photos, a daily report from your child's group and the learning outcomes they met. The key with KindyHub is to ensure it complements the face-to-face communication we already have when you visit us. Our face-to-face communication is undeniably one of the most important aspects of maintaining great relationships between our careers and your family. KindyHub is here to enhance that communication and provide the parents that can't visit us with photos and information about the child. For further information regarding KindyHub, you may visit www.kindyhub.com.au

We require your written consent to use your personal information for the communication. If you would not like to receive this communication please let us know as soon as possible, otherwise please promptly complete and sign the 'Parent Permission' form attached.

Please note that as we capture moments of your child alongside other children as they play and explore together, the upmost sensitivity must be used when sharing these photos. **You must not post any photos with children other than your own on social media platforms such as Facebook, or share via messages, emails or WhatsApp except with the explicit written consent of their parents/guardians. If you are found to be doing so we will need to remove your access to KindyHub.**

All users must sign the attached form – there is space for two users, please print additional copies (or ask us to provide for you) if you would like grandparents/ additional guardians to have access.

We would love your feedback and any suggestions you may have to improve communication and parent engagement.

Warm regards,

Sam Young
Director
